Live View

You will see your camera images displayed in a grid format.

On initial setup the default username and password is, User : 1 , Password : 1

Click on one of the split buttons to change the grid layout.

To Search recorded video select the search tab

Cameras can be rearranged in the grid by dragging from one location to another.

Selecting the gears button will display the setup menu.

Here you can :

1. Add or Remove Users
2. Name your cameras
